Uni-versity Di-versity Mash-Up Invites Young People to Explore Educational Opportunities at Utah's Colleges and Universities

WHAT: The UCCC proudly presents the third annual Uni-versity Di-versity Mash-Up, where family, friends and fun collide with opportunities in higher education. Join us and meet representatives from many of Utah's colleges and universities to learn about how the challenge of higher education can be exciting, rewarding and fun!

At the Mash-Up participants can earn mock college credits by completing "courses" designed to encourage kids to dream, believe in themselves and make conscious choices for their future. Students will then turn in credits for a "diploma" and chance to win a Grand Prize!

Scheduled "courses" include Utah First Lego League; Computer Science Imaging; College Major BINGO; Dream Boards; "Livin' the Dream . . ." video testimonials; Medical Field demos, and theatre and dance demonstrations. Courses for parents include Financial Aid 101; Women in Education initiatives; Concurrent Enrollment opportunities, and more!
